## ReStore and Donation Center

## WHY YOUR DONATION MATTERS

Habitat for Humanity is a global nonprofit housing organization. Our vision is a world where everyone has a decent place to live. Habitat works toward this vision by building self-reliance in partnership with those in need of housing.

The money raised by Habitat ReStores help families in our community build a decent and affordable place to call home. When the items you donate to the ReStore are sold, the money helps families achieve the strength, stability, and independence they need to build a better future. With the help of our generous donors, Lebanon Area Habitat for Humanity is able to offer critical home repairs and builds to income-qualifying families in the East Linn County at affordable rates.
