## **2024 Annual Ask Breakfast Fundraising Event for Lebanon Area Habitat for Humanity**

**Lebanon, Oregon 3/22/24**—Enjoy a free breakfast buffet and hear about our active home builds and plans to expand services in East Linn County. Unlike many affiliates, we make sure our homes are built for aging in place to make sure individuals can remain in their communities. All donations go toward our home builds and event sponsorships are available. Visit our website's Donations page at [lebanonoregonhabitat.com](https://www.lebanonoregonhabitat.com/) to learn about sponsor benefits or contact Executive Director Tina Breshears for details.

The Lebanon-based non-profit organization is working to meet its \$350,000 price tag for home build materials and labor for its 2024 build and plans to expand its current recycling services to a location in Sweet Home.

Individuals and businesses will hear a brief presentation by the Executive Director about and learn various ways the community can get involved.

To R.S.V.P for your FREE breakfast tickets, visit <https://tinyurl.com/HabitatAsk> or call 541-405-5213. **Reserve your spot by May 17, 2024.**

**Location:** Boulder Falls Inn Event Center, 605 Mullins Drive, Lebanon, OR

**Event Date/Time:** Tuesday, May 30, 2024 Doors open 8am. Breakfast served at 8:30am Presentation 8:45am and Donor Ask at 9am.

---

*"We're excited about the partnership with individuals and vendors in our community donating their time, talent, and treasure to building homes in our community,"*  
*said Executive Director Tina Breshears.*

---

This affiliate serves Linn County communities in ZIP Codes: 97355, 97327, 97386, 97345, 97329 with home repairs and home builds. Once they purchase land or someone donates property, they post an open application period to select the next partner family for the home build.

In addition, they own a ReStore at 566 S Main Street in downtown Lebanon, featuring every day and seasonal home décor, garden, hardware, and many creative ways to maintain your space for less than retail prices. New products are donated by local retail and box stores and new and gently used items are donated by individuals and businesses in the community.

Interested volunteers and those inquiring about a home repair can visit their website at <https://www.lebanonoregonhabitat.com/> to complete an interest form.
