Fall/Winter Calendar of Events for Lebanon Area Habitat for Humanity

Lebanon, Oregon 11/01/24—We've got a host of events and new ReStore happenings the next two months.

We have broken ground on our next home but there are still many others in need of housing assistance. This is why we are reaching out for your support. Once we construct or preserve one home annually for three consecutive years, we attain emerging developer status. This enables us to collaborate more closely with cities in our service area on housing developments, qualify for larger grants, and offer housing solutions to a greater number of people.

Take a Bite Out of Housing at Panda Express in Lebanon on Black Friday and New Year's Eve

Twenty percent of each order goes toward ongoing home build costs. In order for us to get credit for the order, from 10 AM to 10 PM, enter the unique code on the flyer for online orders or show the following flyers on:

November 29th [\(English\)](#) [\(Spanish\)](#)

December 31st [\(English\)](#) [\(Spanish\)](#)

Panda Express will also have flyers at the register.

Enjoy Food, Drinks, and Bingo at Tallman Brewing and Help Build and Repair Homes in East Linn County

Save the Date: Sunday, December 22, 3-5p.m. Bring your holiday cheer as we'll be calling out Bingo numbers at Tallman Brewing in Lebanon and 50% of the game's proceeds go toward current home build costs, while the other half goes to the winnings.

Online ReStore Launches on Black Friday through Cyber Monday

We will launch our Black Friday through Cyber Monday sale online featuring savings not available in the store, which will be closed on those days. We are optimistic that this trial will prove successful, allow us to establish it as a permanent offering for our community. Check it out when it goes live and let us know what you think.
